## A Full Summer of Archery

BC Archers Stay Active with Provincial, National, and International Competitions... Plus Local Fun!

### Provincial 3-D Championships

The Quesnel Archers started the summer well by hosting the BC 3-D Championships at Quesnel's Pioneer Park.

Two, twenty-target courses were used. Top adult contestants were invited to represent B.C. in the National 3D Archery Championships in Saskatchewan.

More on page 5...

All the winners from June's BC 3-D Archery Championships.

### Hugh Macdonald Goes to Pan-Am Games

Congratulations to Hugh Macdonald, a BC Archer who represented Canada at the 2003 Pan American Games in Santo Domingo, Dominican Republic. Hugh is also one of four BC archers on the national team going to the World Target Event in New York City. Continued on page 3...

### Fun Summer Archery in Maple Ridge

On Sat 12 July the Maple Ridge Archery Club held its "first annual" Night Owl 900 shoot - and despite moisture from both natural and human sources, it was a resounding success. A warm summer evening, food and a friendly atmosphere, archers shooting for fun under lights (well, mostly under lights...). Continued on page 5...

### BC 3-D Team at Nationals in Estevan

The BC 3-D team was selected in July, and travelled to the Nationals in August. We have the web site address for scores... and find out who the team members are on page 3.

### More Records for BC Archers

Summer didn't dull the appetite for record-setting BC archers - see page 3.

### BC Archers at World Outdoor Event

Congratulations to the BC shooters representing Canada as part of the national team at the World Outdoor Target Event in New York City August 10 - 19. Continued on page 3...

### *BCAA Mission Statement*

To promote and support the sport of Archery in British Columbia and Canada.

### *Vision Statement*

We are committed to maintaining and supporting a family orientated archery organization. We strive to reach as large an archery population as possible in B.C. We are also committed to attaining the highest level in our involvement in multi-sport games. Our mandate is to fulfil the policies and procedures as laid out in our Regulations Manual.

The B.C. Archer is published by the British Columbia Archery Association in order to promote Archery, the Association, and the exchange of ideas and information between Association members. Please feel free to copy or reprint in part or in whole any material presented in The Archer; however, we request that you follow standard industry citation practices and acknowledge the source.

We encourage, need, and value all feedback; and we are always looking for submissions. The fastest format is email - see Contact Information (inside -last page), or visit the BCAA website: <http://www.archeryassociation.bc.ca>.

The B.C. Archer is distributed by Western Sportsman, PO Box 21036, Brandon Manitoba, R7B 3W8.

## A BC Archer at the Pan American Games

Hugh Macdonald won the opportunity to represent Canada at the 2003 Pan American Games, August 9th to 14th, in Santo Domingo, Dom Rep. Congratulations Hugh!

Due to the submission dates required for publishing - which happen to fall right in the middle of the Pan Am games, we're unable to publish any competition results... but rest assured that the results will appear first on the BCAA website, and then again in the next issue of the BC Archer!

## BC Shooters to Represent Canada at World Outdoor Target Event

Congratulations to BC shooters Angela Cramer, Hugh Macdonald, Lillian Meehan, and Lynne Durward for successfully winning spots on the Canadian National team going to New York for the World Outdoor Target Event, August 10th to the 19th. Again, due to publishing deadlines we're unable to publish results... but will ensure that competition results will appear both on the BCAA website and in our next issue.

## BC 3-D Team at Canadian Nationals in Estevan

For the latest results, see <http://www.cap.estevan.sk.ca/archery/nationals/results.html>. The BC 3-D team was selected in July; making up the team were:

## *In Memorium*

It is with sadness that we have learned that Dennis Mrokwia passed away in his sleep, due to heart failure. Our hearts are with his family, who requested that all his archery friends and colleagues be made aware of his passing. Instead of flowers, the family requests donations, made in his name, to the Heart and Stroke Foundation.

Dennis dedicated many hours of his time to the Federation of Canadian Archers. Most recently, he served on the Board of Directors of the B.C. Archery Association - including valuable service as president. He was also a respected International Archery Judge who travelled worldwide to judge tournaments. His contributions will be missed by all who worked with him.

On a personal level, I will miss Dennis very much. He was a very caring man and a tremendous help to me after the death of my husband. May you rest in peace, Dennis.

## Message from the Editor

Hello Again!

This summer Archer is short, reflecting the usual holiday activities of all our Archery families... but what it lacks in volume it makes up for in impact! Check out all the competitions in August alone - you can get an idea of just how busy our archers are by taking a quick glance above at "In the Next Issue"...

Thanks and more thanks to all who provided feedback on the last issue - your suggestions and requests are exactly what's needed if the Archer is to keep pace with the association it serves! The many kind comments were much appreciated by yours truly... thanks! This issue keeps the same format, with changes as requested. I had hoped to make the improvements possible with a change from Framemaker to Pagemaker software, but was unable to do it in the time available. Stay tuned for improvements in the next issue. Keep the feedback coming!

We are working at getting less time between finishing the copy and getting it printed and delivered. In the meantime, please make sure you get reports to me as soon as possible near the deadlines.

*Paul Carter, Editor.*

### *BC Archer Call for Articles*

#### *For Upcoming Issues...*

Calling all clubs!

If your club is having a social event, a local competition, or is hosting an event for folks from farther afield, why not consider writing an article for the Archer?

You don't have to worry about format, or spelling, or even spending time on polishing the writing... that's what the Editor is for! All I need are the Five Ws: what, were, when, why, and who. Please don't write all-capital headings or titles. Throw in a few pictures (TIFFs are best, but JPEGs will do). Comments and stories from those involved are greatly welcome!

*Your Achievements, Your Stories - Your Archer*

## A Shot in the Dark...

On Saturday 12 July, the Maple Ridge Archery Club held what is hoped to be the first annual Night Owl 900 shoot. The concept was to get together on a warm summer evening and shoot a tournament under lights - no pressures, no challenges for gold - simply a relaxing evening with friends. Archery, corn on the cob, hot dogs, and a pleasant family picnic.

Starting at 7 pm, the long distance shoots occurred in daylight. Intermediate distance was shot in twilight, while short distance was under full artificial light. The last arrows sank home by 11:00PM.

33 archers attended, all appearing to have a great time as the night progressed smooth as silk. Everything worked out without a hitch... Well, not quite.

After one of the warmest and driest weeks of the year, Saturday night brought heavy rain showers. Archers being a conditioned and hardy bunch, they shook off the wet and took it in stride. The next challenge, during the last 3 arrows of the night, were the lights... off they went, due to a minor electronic timer problem. We did say a night shoot, didn't we? After a few trying minutes and a truck headlight or two, the last of the arrows were off... and on came the field lights again! Unfortunately, when the power came back on, so did the automatic sprinkler system! The sprinklers now drenched anything that was left dry after the showers, including everyone on the field, the timing/TC table, and the concession stand (which took the full force of a few strategically directed sprinkler heads).

Teething problems aside, the event was great fun - even with both the unexpected moisture and the extreme lack of light. No complaints were heard, and all appeared to want to do it again next year.

Since This was a social event and purely for fun, we did not publish scores (how can the average Joe compete with the guy on butt 12 with nocks that had lights in them). If you would like to see your results, contact either Phil Hartley (p.hartley2@shaw.ca) or Laura Curwen (lcurwen@shaw.ca).

## June 28-29 B.C. Provincial 3D Championships Hosted by Quesnel Archers

Two, twenty-target courses, with each target having a possibility of 5, 8, 10 or 0 points. The distance the archer shoots from varies with the category.

Starting Saturday morning, random groups of 3 -5 archers completed both the courses. Once scorecards were handed in for the day, the archers were put into groups according to age and category.

On Sunday the newly assigned groups again completed the two courses. Top contestants in each adult categories were invited to represent B.C. in the National 3D Archery Championships.

See the next page for results.

# Athlete Assistance Program

Congratulations to the following athletes who were selected for the Athlete Assistance program:

*Sophie Roberts John Gibson Cameron McNeil Kevin Mackenzie Emerald Lemke Brittany McMillan*

All of these athletes are responsible for service or contributions to the BCAA in the form of projects. Five were on Team BC at the Western Canada Games. We received 11 strong applications, but we were only able to choose 6.

The deadline for the next BCAA application cycle is January 15th 2003 - and the sooner received the better. In addition to the government criteria, the BCAA has various considerations and requirements including:

1. Objective Points: (a) Average of top 5 FITA scores; (b) highest FITA score; (c) FITA major event score.
2. Subjective Considerations: potential for performance.
3. Contribution Requirement: must execute two assigned projects for the BCAA in the year they receive assistance, plus a written report on the successful completion of the projects.
4. Residency Requirements: must be a BCAA member and BC resident of the 12 months preceding selection.
5. Reporting: a training program must be developed with the candidates personal coach and with BCAA input; a BCAA training chart is to be submitted with the application; bimonthly progress reports are required.
6. Coaching: athletes must be coached by a NCCP certified coach at the appropriate level and must be available for selection to BC teams (Canada Games, Nationals, Western Canada Games).
7. Other: open to Compound and Recurve divisions, men and women; medical fitness certificate may be required.

For more information, contact the Athlete Development VP or Athlete Assistance Administrator. For forms and more information, follow these simple steps or contact Susan Lemke (see contact info in Archer):

1. Go to <http://www.sport.gov.bc.ca>.
2. Click Athlete Development Programs and scroll down to Application Forms-B.C. Athlete Assistance Program Application Form.
3. Click to activate Form, then print it
4. Complete form and sign.
5. Submit to P.S.O (Susan Lemke - see contact information)

To Access the B.C. AAP Policies Procedure and Guidelines:

1. Go to the website at <http://www.sport.gov.bc.ca>.
2. Click Athlete Development Programs and scroll down to AAP Policies Procedures and Funding Guidelines (this document requires Acrobat Reader to view - free download of this software is provided at the site).
3. Click to download PDF document.

**Don't Forget - BCAA is on the Web...**

**[www.archeryassociation.bc.ca](http://www.archeryassociation.bc.ca)**

Updated regularly, our information comes directly from members to the webmaster. Clubs are invited to send information on local shoots, reports on events, etc. Clubs are also reminded to check their listing on the "Zones and Clubs" page to be sure the information there is kept up-to-date. All submissions should be sent by email and should be addressed to [webmaster@archeryassociation.bc.ca](mailto:webmaster@archeryassociation.bc.ca)

## **BCAA also offers an e-News Service:**

To receive the irregular BCAA e-news Service, visit the BCAA web site and sign up (follow the link on [www.archeryassociation.bc.ca](http://www.archeryassociation.bc.ca)). The e-news is used when publication in the BC Archer cannot be done on a timely basis. If you have changed your email address lately, don't forget to re-subscribe! Many subscribers are dropped with each issue because their e-mail addresses are no longer valid.

# Western Canada Games Update - Stop the Presses!

The Archer received a last-minute update the day it was due at the printers... The following is the latest from the Team BC Newsletter....

## Bullseye at Archery!

Our fabulous archers wowed the crowd and their competitors with their team spirit, focus, and sheer determination in capturing double gold medals in the Team Event.

The men started the day with a solid victory over AB (309-300) in the semi final, and then followed it up with a convincing performance against the higher seeded team from MB, 299-293 in the final. A celebration erupted and was complete only after the team distracted Coach Charles Landry enough to carry out the traditional dumping of a cooler of ice water over him!

The huge victory for the men proved to be an inspiration for the women! An easy victory over MB in the semi-finals (255-228) set up a showdown with AB. It was a dramatic affair, with both teams taking and losing the lead several times throughout the rounds. The vocal crowd was on pins and needles, as stoned cold focused Emerald Lemke stepped to the line as the final shooter. One great shot... a second... almost perfect... the third... would it be enough??? The scoreboard flashed... Alberta 273 – BC 272. The Alberta contingent jumps for joy, and lets out a deafening roar... heartache for BC... but wait the arrow count still has to be done! That's when the real drama began... The judges missed a point for BC! It's a tie? Could it be? Team Manager Susan Lemke flashes a hopeful signal, BC has new hope! Then the quiet announcement... Alberta 273, BC 265. We've lost again... or have we? Conversations and calculators are flying furiously now. A missed arrow has been found and counted. It's okay, it looks like a tie after all, and it will be decided with a nerve wracking shootout. The scores table continues to be a beehive of activity, while the athletes physically and mentally prepare themselves for a shootout. After about 10 minutes (more like an eternity) the announcement finally comes. The crowd expects the announcement about the procedures for the shootout... instead it was "Final score Alberta 272, BC 273"! Huh? The girls had done it!!! Pandemonium in the BC Camp!!! What a result!

The double team championship was an appropriate finish for a team that was thick as thieves every moment of the last few days, always 100% supportive of each other... practising to a tee the philosophy that the Coaching staff preached! After the dramatics of the morning the squad still had to shoot their quarterfinal matches in the elimination round. The whole squad battled fatigue and emotion to take on the task. John Gibson, and Sophie Roberts posted lopsided victories to advance to the semi-finals scheduled for today. Both Kevin MacKenzie and James Cameron shot excellent rounds, but unfortunately fell short of victory by one point each. In compound competition, teammates Emerald Lemke and Meghan Kennedy had to square off against each other with Emerald advancing with a one point victory.

All in all a more than successful day for Team BC archery!

The team includes:

- Coach Charles Land from Maple Ridge.
- Emerald Lemke from Port Moody, Ladies Compound, daughter of team manager Susan Lemke.
- Megan Kennedy from Surrey, Indoor Canada Winter Games Gold Medallist Ladies Compound.
- James Cameron McNeil from Coquitlam, Men's Compound, also attended the Canada Winter Games.
- Thomas Scully from Prince George.
- Sophie Roberts, from Victoria, Silver medal Canada Winter Games team Ladies Recurve.
- Jessica Norberg, from Coquitlam, Ladies Recurve.
- John Gibson, from Pitt Meadow, Men's Recurve, also a veteran of the Canada Winter Games in Bathurst.
- Kevin MacKenzie, Pitt Meadows, Men's Recurve.

### **Important Fita Rulings Update**

1. FITA has decided that the ruling of only one judge on an arrow call is allowed, eliminating the right of an archer to ask for a second or third opinion.
2. Also FITA has ruled that "Magnocks" are not allowed for the recurve division, but are allowed for the compound division. FCA will follow both of these rulings effective immediately.
